ATTENDANCE

All students must attend punctually the sessions which apply to them.

Remember, **Thursday, 4th February** and the other dates are part of the school year.

Students who fail to attend may not be able to arrange courses or registration at other times.

BYOD (Bring your own device) – Refer to the included BYOD info sheet

All Year 13 students are asked to bring their device on the first timetabled day of school (Tuesday, 9th February) to log on to the school network and begin their e-learning programme. **If you do not have a device yet, please see the school website for more information.** The school requests parents provide a digital device (chromebook or similar). This allows students to access work online at home in addition to any school learning.

BYOD – ENGRAVING

To help with security around devices, we encourage them to be named. Inscribing on a device incorrectly can cause the warranty to be invalidated. We have organised a local company, who can engrave your device safely, to come in to the school, mid **February**, to engrave your computers at a cost of about \$15 per device. The date for this will be advertised through the daily bulletin at the beginning of the year.

LOCKERS

With the introduction of the BYOD programme, the school has invested in lockers to provide a safe place for students to be able to store their computers and bags in. These lockers and a lock are available for hire at a cost of \$20 per year. There are also free casual day lockers in the gymnasium for when students are doing PE or Sport. For the casual day lockers students will need to provide their own padlock.

ID CARDS

All students will be photographed in early March for ID cards and for the school's records. Although ID cards are not compulsory, Students may require them for discounted fares on buses and trains or concessions at movies etc ID cards cost **\$10.00** and can be ordered and paid for at the Accounts Department.

STATIONERY

The school no longer sells general stationery. For some subjects, workbooks will be required and these will be given out in class.

SCHOOL DONATION & FEES

The school's Board of Trustees has decided to continue to take part in the NZ Government's Donations Scheme. The purpose of this is to lower the cost of education to families.

- There will be no request for a school donation.
- We will only be asking families to meet course material costs where there is a take home component. This will result in considerable savings for you and your family.
- Course workbooks and on-line learning programs will also now be funded by the school where these items are an expectation for the whole class. Students will need to purchase their own optional revision guides.
- The costs of day trips that are a core part of the curriculum will now also be covered by the school. Optional and overnight trips will still need to be paid for by families.
- Students and families will still be expected to meet the costs for sports, arts and cultural activities.

STUDENTS USING MOTOR VEHICLES

We have clear concerns about students driving to school or travelling in pupil-driven cars. The College and Board of Trustees have a policy, which provides control and protection for all students. Most students have alternative means of transport available to them, which they should use. **ONLY IN EXCEPTIONAL CIRCUMSTANCES** should students need to use private motor vehicles.

Parents may make application to the College when vehicle use is ABSOLUTELY NECESSARY (not simply convenient). Please support the College in this area of concern for student safety by complying with our policies. Application forms are available at the Student Centre.

TRAFFIC INFORMATION

With the new layout of the front of the school from the beginning of 2020 there are no drop offs or pickups within the school grounds. Please encourage your child to use the Swanson Road exits or to meet you at a prearranged area away from the school.
