School Uniform

Wearing the uniform correctly, cleanly, and neatly shows pride in oneself and the College.

All items are regulation 'Uniformity' brand, as sold through the school's Student Centre that is open Term time every weekday. Other brands are not College uniform: check brands and styles carefully and if in doubt, ask your Dean. Prices are found on the school website or at the Student Centre.

All uniform must be worn as manufactured for style and length, e.g. skirts must not be shortened or trousers tapered. Where items need to be altered for fit, the Student Centre must be consulted or the altered garment may need to be replaced.

The college reserves the right to decide the acceptability of items of uniform, and standards of clean dress and grooming. Incorrectly

dressed students may have non-compliant items impounded, and may have items loaned by the Student Centre.

with an expectation that the uniform will be corrected before attending school the next day.

All items must be named and are students' own responsibility; the College accepts no liability for lost items. Uniform should be in good condition, not stained or ripped, and with all buttons in place.
