

Inclusion Support Centre

Te Whare Rangimārie, the Inclusion Support Centre (ISC), is a bustling, thriving unit for approximately 50 students. The ISC students are supported by teaching staff, teacher aides and therapists.

Our Vision

- We aim to support our students to fulfil their potential.
- We aim to offer supported but challenging and innovative programmes which lead to the increasing independence of our students.
- Our staff will be recognised as highly effective and resourceful practitioners who have the commitment and skills to make a difference for our students.

Programmes Offered

Total Inclusion: Students have the opportunity to be supported in mainstream for most of their academic programme and are also supported with supervised study time in the Centre.

Partial Inclusion: Most of the students will attend one or two mainstream classes with most of their learning being provided within the Centre.

Fully Supported: Students who require intensive instruction or ongoing therapy in small groups or one-to-one are provided for in a supportive classroom environment within the Centre.

Our Achievements

- Students attending tertiary institutions, with some scholarships.
- Students in full and part time work through our transition programme.
- Students leaving school with the confidence to live rich and independent lives.
