## Findings

The school is a signatory to the Code of Practice for the Pastoral Care of International Students (the Code) established under *section 238F of the Education Act 1989*. The school has attested that it complies with all aspects of the Code. At the time of this review there were 15 short-term and eight long-term international students attending the school.

Waitākere College has high level systems to maintain the quality of both education and pastoral care for international students. Progress towards achievement is well monitored and students' course selections continue to be carefully considered and personalised. Students are well integrated into the college's educational, community and cultural experiences. Self-review processes are in place to ensure systems continue to develop and improve.
