COURSE COSTS

We only ask families to meet course material costs where there is a take home component. This will result in considerable savings for you and your family. These are shown below. Course workbooks and on-line learning programs will also now be funded by the school where these items are an expectation for the whole class. Students will need to purchase their own optional revision guides.

SCHOOL DONATION

The school's Board of Trustees has decided to take part in the NZ Government's Donations Scheme. The purpose of this is to lower the cost of education to families.

- There will be no request for a school donation.
- We will only be asking families to meet course material costs where there is a take home component. This will result in considerable savings for you and your family.
- Course workbooks and on-line learning programs will also be funded by the school where these items are an expectation for the whole class. Students will need to purchase their own optional revision guides.
- The costs of day trips that are a core part of the curriculum will now also be covered by the school. A donation will be requested for optional and overnight curriculum trips.
- Students and families will still be expected to meet the costs for sports, arts and cultural activities.
